Average Sugar at Harvest: 23.5%

Fermentation: 100% Stainless Steel Fermentation

Blend: 100% Sauvignon Blanc

Alcohol: 13.8%

Appellation: 100% Napa Valley

Brian Nuss, Winemaker's Tasting Notes: A beautiful combination of fruit, elegance and rich textures makes this a delightful drinking Sauvignon Blanc. This wine shows bright clean notes of grapefruit, herbs, orange peel and honeydew melon which comes together into a medium bodied food friendly wine.

Vinoce Vineyards' Comments: Our Sauvignon Blanc is a perfect expression of the Pope Valley vineyards where we have sourced our grapes for the past few years. The weather was perfect for ripening our grapes slowly giving us the flavors and aromas which make our Sauvignon Blanc so distinct.

Cases produced: 900
